

A Century of Progress with Pride

For Immediate Release

August 11, 2010

Mayor Robert Lovero and administrators from the City of Berwyn have been meeting with representatives from the Cook County Department of Homeland Security and Emergency Management, the Illinois Emergency Management Agency (IEMA) and the Federal Emergency Management Agency (FEMA). The purpose of these meetings was to review the City of Berwyn's July 23rd and 24th storm damage assessment submittal.

On Tuesday, August 10, 2010, Mayor Lovero and city officials met with state and federal officials regarding Berwyn's public assistance submittal to the Cook County Department of Homeland Security and Emergency Management Agency. This submittal encompassed the City of Berwyn's municipal damage and costs associated with the storm.

On August 11, 2010, Mayor Lovero was accompanied by Director David Ramos from the Cook County Department of Homeland Security and Emergency Management and representatives of IEMA and FEMA when visiting some of the Berwyn residences that sustained damage as a result of the July 23rd and 24th storm event. Mayor Lovero and the representatives (from the previously mentioned agencies) had an opportunity to speak with some of the residents that were affected.

Mayor Lovero is committed to making sure that the Berwyn's citizens have a strong voice in their representation regarding the July 23rd & 24th storm event.
